Any question, interpretation, or clarification regarding this RFP must be submitted on or before 5 p.m., MDT, February 10th, 2025. Responses, if any, will be sent to any contractor who requests the information. All inquiries regarding this proposal must be in writing via email to

Hugh Fairfield-Smith- Fire Management Officer
hfairfield-smith@eagleriverfire.org

Please email to verify receipt of your questions if no response is provided. No additional questions will be accepted after the date and time referenced above unless good cause is shown as determined by Eagle River Fire Protection District and Eagle Valley Wildland in its sole discretion. Oral interpretations shall be of no force and effect.

1. Only one copy of your proposal is required. If brochures or other supportive documents are requested, then it is required that they be submitted with your proposal.
2. Eagle River Fire Protection District and Eagle Valley Wildland reserves the right, in their sole discretion, to reject any and all proposals submitted in response to this RFP or to waive or not waive informalities or irregularities in proposals received or RFP procedures. Eagle River Fire Protection District and Eagle Valley Wildland also reserves the right to re-advertise or to otherwise provide the services as determined by Eagle River Fire Protection District and Eagle Valley Wildland to be in their best interest and to accept any portion of the proposal deemed to be in the best interests of Eagle River Fire Protection District and Eagle Valley Wildland to do so, or further negotiate cost, terms, or conditions of any proposal determined by Eagle River Fire Protection District and Eagle Valley Wildland to be in their best interests.
3. Eagle River Fire Protection District and Eagle Valley Wildland may, at their sole discretion, modify or amend any and all provisions herein. If it becomes necessary to revise any part of the RFP, addenda will be provided through posting at <https://eagleriverfire.org/>. Eagle River Fire Protection District and Eagle Valley Wildland reserve the right to extend the RFP submittal date or to postpone the award of an agreement.
4. All proposals will be reviewed by a selection committee and any other review as determined to be necessary. Respondents may be asked to supplement their initial proposals with additional written material. Eagle River Fire Protection District and Eagle Valley Wildland may short-list respondents based upon an evaluation of the written submittals. Eagle River Fire Protection District and Eagle Valley Wildland may arrange for in-person interviews with the short-listed respondents for a detailed presentation.

5. The selected proposal will be the one considered the most advantageous regarding price, quality of service, qualifications, and capabilities of the respondent to provide the specified service, respondent's familiarity with Eagle County, and any other factors Eagle River Fire Protection District and Eagle Valley Wildland may consider as determined by Eagle River Fire Protection District and Eagle Valley Wildland in their sole discretion. Eagle River Fire Protection District and Eagle Valley Wildland may award a contract, even if not the lowest-priced proposal, based upon a review of the identified factors.

6. Respondents are encouraged to clearly identify any proprietary or confidential data or information submitted with the proposal. Regardless of whether or not so marked, Eagle River Fire Protection District and Eagle Valley Wildland will endeavor to keep that information confidential, separate, and apart from the proposal. Notwithstanding the foregoing, the respondent acknowledges that Eagle River Fire Protection District and Eagle Valley Wildland may be required to release the information in accordance with the Colorado Open Records Act or order of the court.

7. Eagle River Fire Protection District and Eagle Valley Wildland will not pay for any information requested herein, nor are they liable for any costs incurred by the respondent in connection with its response to this RFP.

8. No work shall commence, nor shall any invoices be paid until the successful respondent has entered into a fully executed agreement with Eagle River Fire Protection District and Eagle Valley Wildland and provides the requested proof of insurance.

9. No telephone or oral proposals will be accepted.

10. Proposals must be clearly identified in the subject line of the email submittal by proposal title. Responsibility for timely submittal of proposals lies solely with the respondent. Proposals received after the closing time specified will not be considered unless good cause is shown as determined by Eagle River Fire Protection District and Eagle Valley Wildland in their sole discretion.

11. Respondent(s) who submit a proposal are responsible for becoming fully informed regarding all circumstances, information, laws, and any other matters that might, in any way, affect the respondent's role and responsibilities. Any failure to become fully knowledgeable shall be at the respondent's sole risk. Eagle River Fire Protection District and Eagle Valley Wildland assume no responsibility for any interpretations made by respondents on the basis of information provided in this RFP or through any other source.

12. All respondents must include a fully executed Proposal Form with their proposal.

13. Eagle River Fire Protection District and Eagle Valley Wildland reserve the right to award an agreement to the respondent that demonstrates the best ability to fulfill the requirements of the project based upon our evaluation of the selection criteria.

14. This RFP is not intended to completely define the contractual relationship to be entered into with the successful respondent(s).

15. Upon identification by Eagle River Fire Protection District and Eagle Valley Wildland of the successful respondent, Eagle River Fire Protection District and Eagle Valley Wildland will give the successful respondent the first right to negotiate an agreement acceptable to Eagle River Fire Protection District and Eagle Valley Wildland. If an agreement satisfactory to Eagle River Fire Protection District and Eagle Valley Wildland cannot be reached, Eagle River Fire Protection District and Eagle Valley Wildland may enter into negotiations with one or more of the remaining respondents. Eagle River Fire Protection District and Eagle Valley Wildland may choose to discard all proposals and re-issue another RFP.

16. The successful respondent will perform all of the work or services indicated in the proposal in compliance with the negotiated agreement.

17. The successful respondent(s) shall comply with the following insurance language which shall be included in the agreement to be awarded unless otherwise agreed to in writing by Eagle River Fire Protection District and Eagle Valley Wildland:

“The Contractor agrees to provide and maintain, at the Contractors sole cost and expense, the following insurance coverage with limits of liability not less than those stated below:

PROJECT DESCRIPTION

Eagle River Fire Protection District and Eagle Valley Wildland are seeking a Contractor or Contractors to a wildfire mitigation in Edwards, Colorado. This project is being performed to aid in the protection homes and infrastructure within Edwards, Colorado. This project also aids in forest health, forest management, ecosystem health and watershed health. The Wildfire component of the project is also designed to give firefighters a tactical advantage.

Eagle River Fire Protection District and Eagle Valley Wildland may award each unit individually or the entire project.

Each contractor will be required to give pricing for each unit number listed below and a price for the entire project.

SCOPE OF SERVICES

Treatment Scope, method, and design:

The overall scope should be planned for a 60-80% reduction of the fuel material described under the Scope of Services, including cutting and thinning of sage and brush up to 18' tall and as small as 3" within the project boundaries or Units and the processing of dead, sick, and or dying trees within the Units and the removal of all thinned material. The Contractor shall use reasonable judgement within the project boundaries to ensure the project is meeting national standards of wildfire mitigation. The purpose of this project is to reduce fuels within the project area. This reduction in fuels will also act as a fuel break and anchor point and staging areas for firefighters to work in the event of a wildfire.

APPENDIX A has the UNIT table with size acres and length of area. Further maps or digital mapping may be requested from

Hugh Fairfield-Smith
hfairfield-smith@eagleriverfire.org.

It will be to the contractor's discretion as to the method of treatment in each unit. There are units that equipment will likely be unusable.

Material may be masticated, removed, harvested, chipped, and or piled into burn piles. Any material that is piled will meet the nation pile standard set by the NWCG. Piles will be burned by Eagle Valley Wildland in the winter months.
