

Eagle River Fire Protection District

Fire Alarm Permit Application

Office Hours: Monday-Thursday, 9am-4pm, Friday
and after hours by appointment only.

Notice: Work shall be completed by a certified technician only; apprentices shall conduct work with a certified technician on site. Any violation of District policy or against CDFPC will result in a stop work order. The **Final Sprinkler Inspection** and **Final Fire Alarm Inspection** shall be scheduled concurrently and conducted together. Failure to do so will result in a re-inspection fee. Permit fee includes plan review, one rough, and one final inspection.

Revised: 1/2026

Eagle River Fire Protection District

Notice!!! Read Before Signing

This permit becomes null and void if work or construction authorized is not commenced within 180 days or if construction is suspended or abandoned for a period of 180 days at any time after work is commenced.

I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work **shall** be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. I have read and understand
